# INTERNAL BRIEFING

TO: Senior Management Team

FROM: Eleanor Vance, Chief Human Resources Officer

DATE: April 15, 2025

SUBJECT: Q1 2025 Personnel Review & Upcoming Ethics Compliance Training

This briefing provides an overview of key personnel data as of Q1 2025. This information is intended to support strategic decision-making and resource allocation for the upcoming quarter.

Please also note that mandatory Ethics & Conduct Compliance Training (ECCT Module 2.0) will be rolled out starting May 1, 2025. All employees, including contractors with system access, must complete this training by May 31, 2025. Department heads are responsible for ensuring 100% completion within their teams. Failure to comply will result in a formal review and potential restriction of access to sensitive project data.

**3. Critical System Access Log Anomaly (For Internal Discussion - Full Report: CSA-LOG-ANOM-2025-03B)**

- Date of Anomaly: March 28, 2025
- System Affected: 'Argus' Financial Database (Tier 1 Sensitive Data)
- Detection Method: Automated security monitoring alert (Unusual Access Pattern)
- User Account Implicated (Under Review): Temporary Contractor Account `temp_contract_X4B` (Assigned to Project 'NovaCore' support, not listed in permanent roster).
- Nature of Anomaly: Multiple failed login attempts from an unrecognized IP address (external to QLT network) followed by a successful login and data export query for Q4 2024 projections.
- Current Status: Account `temp_contract_X4B` immediately locked. IP address blacklisted. Forensic investigation initiated by CyberSecurity team. Impact assessment in progress.
- Action Taken: All temporary contractor accounts with access to Tier 1 data are undergoing an immediate access review and password reset. Awaiting full forensic report.
